

Thomas Frentzel

JAVA DEVELOPER | PYTHON | SQL | COMPUTER SCIENCE ACADEMIC

Computer Science student and programmer interested in opportunities as a software developer. I am open to learning and applying interpersonal skills in a professional environment.

PROFESSIONAL EXPERIENCE

ICI - INSTITUTO DAS CIDADES INTELIGENTES

Development Intern

June 2023 - February 2024 · 9 months

In the Sistema de Gestão Pública (SGP) project, I focused on improving the security module, acquiring skills in Java, XHTML and databases. My duties also included producing documentation and reports for the system.
